

Iwate University No Sexual Victimization, No Sexual Violence Campus Declaration

Based on the awareness that sexual violence is a violation of human rights, Iwate University hereby declares that it shall spare no effort in the following activities in order to establish the rules and systems needed to achieve a campus where no individual suffers from sexual harassment, date abuse, sexual bullying, molestation, non-consensual photos or videos, stalking, and any other acts of sexual victimization in their work and studies.

- We will strive to eliminate prejudices and ignorance toward sexual victimization and sexual violence, and to spread preventive awareness.
- We will provide the appropriate care for those who have suffered sexual victimization, and firmly punish the aggressors.
- We recognize that sexual violence is a social problem, and we actively support and cooperate with off-campus efforts to stamp it out.
